2011 2012 season

*The Renaissance Singers*

**Gordon Burnett**  
Artistic Director

## Welcome Choral Music Enthusiasts,

The Renaissance Singers invites you to be part of their 2011-2012 concert season. This year the choir will present a series of three concerts plus our annual cabaret evening. The first program has a Celtic flavour and will feature many of your favourite melodies from Ireland, Scotland, Wales and the Maritimes. At Christmas, we present seasonal favourites wonderfully augmented with Celtic harp and fiddle, played by our special guests Sara Lynn and Jay Weiler. The final concert of the series makes connections between the Spanish Renaissance masters and present-day Latin American composers and features the sparkling Misa Criolla by Ariel Ramirez. Once again, **if you purchase a subscription you will get a FREE ticket to our cabaret evening, "Tango Canción", at Victoria Park Pavillion.** This year the choir will perform music inspired by 'the dance'. Tango dancers and a live instrumental ensemble round out this wonderful evening.

On behalf of the Renaissance Singers I invite you to join us for what promises to be a very special and enjoyable musical journey.
